

Making the Connection

Daren continued to emphasize that our mental images are formed and shaped by our own personal experiences. Being able to ride a bicycle, drive a car, or play a sport are skills all acquired through our brain's natural mental imaging. He made a point to continue encouraging students to practice this strategy as they read.

Objectives Addressed

- 1.02 Explore expressive materials that are read, heard, and viewed by...creating an artistic impression...
- 5.01 Increase fluency, comprehension, and insight through a meaningful and comprehensive reading program by...using effective reading strategies...
